Reminders, and Opportunities

One week and counting!

We're less than one week away from this year's Focus Event at historic Lime Rock Park! Many of us have one eye on our event check list, and one eye on Irene! Jim Cantore says Irene will squeeze all the moisture out of Connecticut's Northwest Corner this weekend, leaving us with sunny skies, warm weather and gentle late Summer breezes for our Focus Event!

With weather issues behind us, let me share some reminders, and latest opportunities for fun with our gang of merry MG vintage racers:

- Do you have MG stuff to sell, swap, or give away? Don't forget about our FIRST EVER MGVR swap table at MGVR Central! One rule-if it doesn't move, you have to take it home!
- MGVR Central will be up and running for this Focus Event. Stop by for coffee and donuts in the ayem; while you are there check out the historic MGVR photos and memorabilia, MGVR Regalia, and message board with the latest info on MGVR happenings and Focus Event activities.
- Please join us for our traditional MGVR Wine and Cheese reception at MGVR Central Thursday after the 'Parade of Racers'. Bring your favorite local brew, or wine to share with your fellow MG vintage racer. I'll bring the Connecticut wines!
- There will be a MANDATORY MGVR Drivers' meeting immediately following Murray Smith's Friday 9 am Drivers' meeting-so stay put after the LRP meeting is over.
- Don't forget to take advantage of LRP hospitality by stopping by the Drivers Lounge for coffee, snacks, and other goodies. Lounge is in A paddock next to LRP shop.
- We have a group photo planned for Saturday after last race session. All MG racers are asked to meet at the timing tower at 6 pm without their car. We'll meet around one, or two cars on the front straight for this photo opportunity.
- Saturday 7 pm at the "Moviehouse" in Millerton NY (six miles from track) the critically acclaimed racing documentary "Senna" will be playing-for \$15 you get the movie, a Senna poster, popcorn, and a chance to meet Skip Barber, Bob Sharp and Sam Posey.
- Don't forget to participate in Sunday's Concours-this year we have two MG Only classes, pre War and Other. Winners will be determined by popular vote as tallied in dollar bills placed in a container of your choice in front of your MG-all proceeds will be donated to the Make a Wish Foundation.
- Sunday car show—votes benefit Make A Wish Foundation
- We have a VERY FEW banquet tickets available-contact your humble editor to secure your seat.
- ONE LAST ITEM: Extra crew slots available? Contact your humble editor. Need crew slots? Contact your humble editor @ editor@mgvr.org
