UPDATES UPDATES UPDATES UPDATES UPDATES

- You should have received a bulletin recently from MGVR outlining a special "***Two Fer***" offer that includes discounts, and special awards for MGVRs who participate in both the LRP Historics and SVRA's Collier Cup Weekend/Watkins Glen Grand Prix . Need a copy of the bulletin? Contact Greg Prehodka at MGRacer53@aol.com. **This Just In-** Head and Neck restraints (**HANS** and similar) are **no longer mandatory** at SVRA events. Please refer to SVRA Technical Bulletin TB2011-004 for more information.
- We expect to be in the company of significant MGs, including a K-3 on loan from the Simeone Collection in Philadelphia. Other *as yet to be determined* significant cars from the Collier Collection are expected to be in the paddock as well.
- No Sunday racing at Lime Rock Park. In its place is a **Big Car Show** featuring several **concours quality automobiles**. This year MGVR has its own group-we encourage everyone to bring their race cars to the show field regardless of condition. Be proud of your MG!
- Stay tuned as banquet plans develop. We hope to have a feature speaker as well as special prizes and awards to accompany our traditional Focus Event fare. This year's banquet will be at the Hospitality Village, LRP's large tent in the middle of the hill. We anticipate plenty of seating so alert the family and crew!

- New this Focus Event-MGVR parts swap and exchange at MGVR Central. Have a part you don't need? We'll have a table set up for you to swap, sell, or trade for another part. One rule-if it doesn't sell, trade, or isn't stolen, you MUST take it home with you. Your humble organizers don't need more stuff lying around the shop.
