MGVR Focus Event with Lime Rock Park Bulletin 3!!!

Greetings MG Vintage Racers and Welcome to MGVR's Lime Rock Historics Focus Event Bulletin 3. I have lots of good news to report so bear with me!

- This year's Historics is an improved version of last year's monumental success-LRP and Event Chair Murray Smith are **limiting entry to 300** race cars. As of last week, they were at **285 and counting**. If you plan to join us (so far 65 are) PLEASE SEND YOUR **ENTRY IN NOW** OR YOUR ENTRY WILL BE REJECTED! This event is sanctioned by Lime Rock Park-your vintage MG will be accepted barring any recent indiscretion (name calling doesn't count).
- We have our own paddock. Please consider paddocking with your MGVR friends in B (the Sunoco) Paddock. MGVR Central will be up and running with am Coffee and Donuts, our usual Thursday Wine and Cheese Reception, and MGVR Regalia and Memorabilia. Don't forget that this year we plan to have a parts swap table as well.
- Who is coming to Lime Rock? Leonidis, the famous Miles Collier 1935 MG PA/PB Special, will join us at LRP. My understanding is that Leonidis is in need of exercise-Group 1 PreWar and T Series MGs-don't be surprised to find him gridded among you. Persians beware! The Le Mans K-3 from the Simeone Collection will also grace the paddock at Lime Rock.

- **Save the Date** Our MGVR Banquet is slated for Sunday, 3 PM in the big tent "Hospitality Village" Lime Rock. *Guest speaker for our banquet* is none other Formula Ford National Champion, SCCA National Champion, owner of LRP and all-time heavyweight champ of racing coaches **Skip Barber**. Tickets will be on sale soon. Don't miss this 'fun for the whole family' event!

• Sunday at Lime Rock Park is quiet time-no racing is allowed by local ordinance BUT THE FUN DOESN'T STOP! LRP has offered us our own "Concours on the Track" car show class. All race MGs are encouraged to participate in this judged car show-but with a **twist!** Our beloved vintage steeds will be judged by popular vote of spectators with their wallets/purses. We'll ask each of you to place a receptacle (bucket, box, helmet, oil pan etc) in front of your MG with a request (plea in my instance) to drop a dollar in said receptacle to signify a vote. All proceeds go to Lime Rock Parks' favorite charity-*Make A Wish* Foundation. Thanks to Greg Prehodka for this outstanding suggestion!

The Fun Stuff: MG Vintage Racers will race with their own race groups AND enjoy an All MG race either Saturday, or Monday depending on which All MG group they are racing with. Current thought is that T Series and MGA will comprise one group, while Midget and MGB will make up the other group. This is subject to change. Relative tally is:

Our Valiant Vintage Steeds!

PreWar and T Series—20 (and counting) MGA—21
 Midget—12 MGB—12 Elva (several have tried)
